A science fiction drama set in Western Sydney exploring the lives of five ordinary people as they grapple with a potential apocalypse. The film follows the story of five unique characters rarely seen on screen: a Samoan fa'afafine landscaper, a high-powered Arab property developer who is also a full-time carer, a Lebanese matriarch with a secret younger lover, a socially marginalized cleaner wrestling with his past, and a dreamer who is pulled into the orbit of her mother's Orthodox church.
